

## Sheng Wang

Chief Technology Officer  
Digital Motors

Sheng Wang is the co-founder and CTO of Digital Motors. She is an accomplished senior executive and thought leader with more than 21 years of success across the FinTech, technology, advertising, e-commerce, and entertainment industries.

Prior to Digital Motors, Sheng served as the CTO and Head of Product for AutoGravity Corporation, responsible for developing its state-of-the-art technology. In 2017, AutoGravity was recognized as a Global Top 250 FinTech company by CB Insights, reflecting Sheng and her team's creation of innovative products and groundbreaking consumer technology. In addition, Sheng was named a 2018 Woman of the Year by the *Orange County Business Journal*. She is a proven leader with expertise in digital technology, customer experience, e-commerce and product management.

Sheng has also held positions with Disney Parks & Resorts, Microsoft, eBay and Yodlee.

Sheng holds a Bachelor of Science degree from the National Taiwan University and a Master of Science degree in Computer Engineering from Santa Clara University.
